Er verden "af lave"?

Eller er den ved at blive lavet?

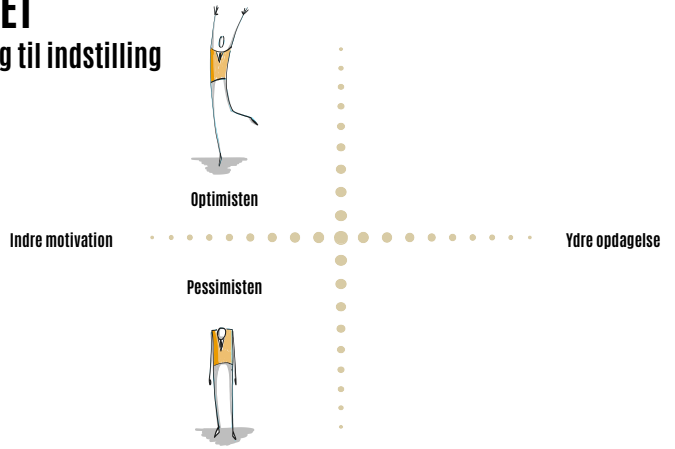

Her er I : Lige midt i fremtiden

Det gode spørgsmål

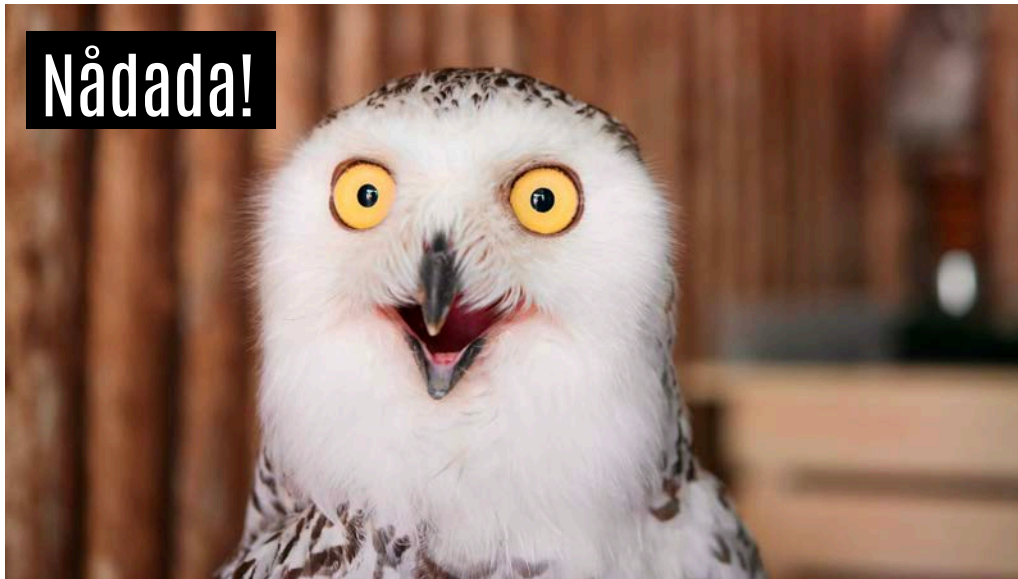

KAN DU SE DIG SELV I FREMTIDEN?

Næh ...

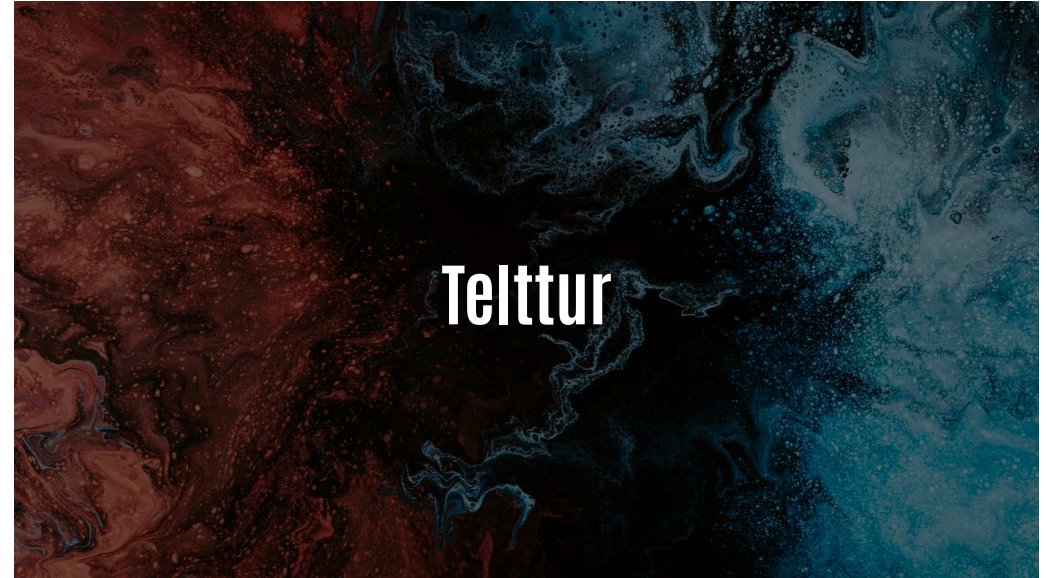

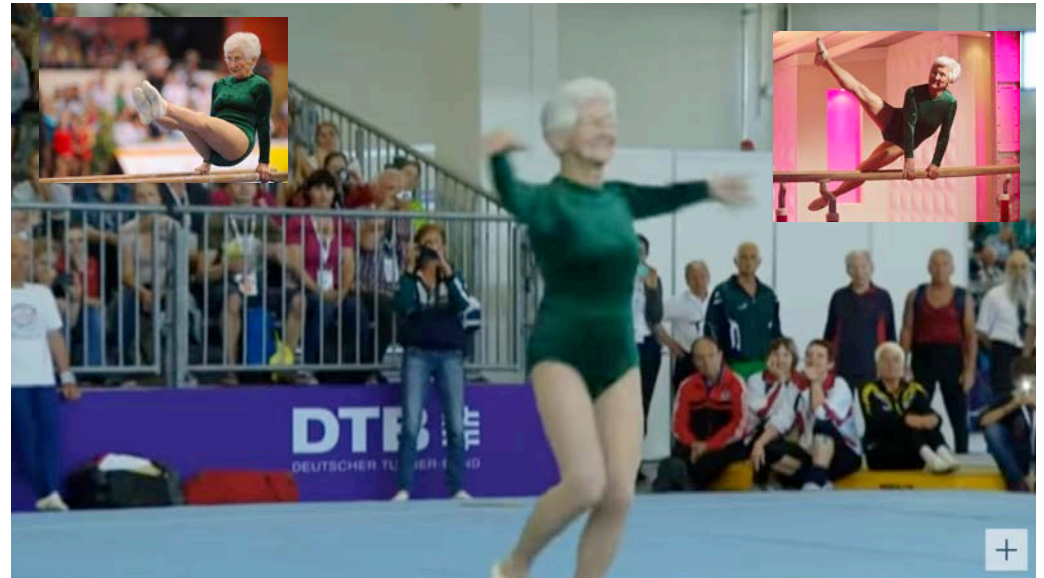

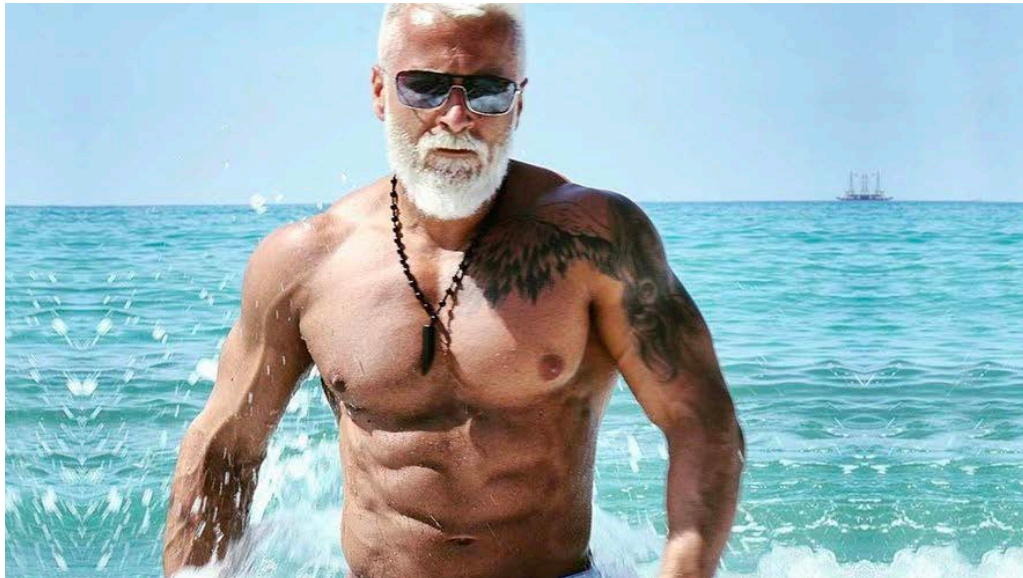

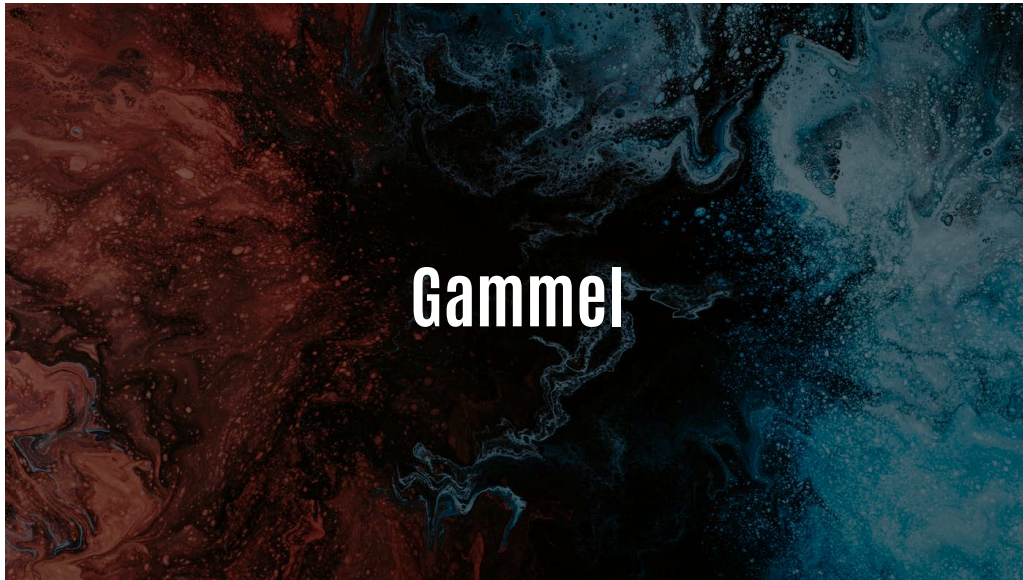

Snak med din sidemakker
Er der noget, du ku' gi slip på?

Man kan leve af at spille computer

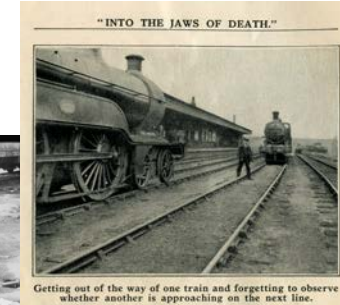

Railyards Were Once So Dangerous They Needed Their Own Railway Surgeons

Feet, hands, and lives were at risk.

Getting out of the way of one train and forgetting to observe whether another is approaching on the next line.

Psykisk slidt

Kan du forestille dig at ..
Stress ikke er svaghed

Kan du forestille dig at?
Grådighed bliver en diagnose

Kan du forestille dig at?
Dårlig opførsel bliver en kupé?

AI som GPS

En personlig træner og relationsbygger

Som en "second brain" - løfter fra bunden - hjælper os med at regulere i nuet

Kan du forestille dig ..
En verden uden chefer & politikere?

AI Steve

En virtuel politiker, øko-kapitalist with a conscience

Samler input fra sine vælgere og laver politik

SNAK MED SØREN

The only candidate who can have a conversation with 45,000 constituents at the same time and form policies based on what's just been discussed.

This is democracy reinvented.

Er du bange om natten?
Skal vi debattere et emne?
Hvordan balancerer du faglig evidens og politisk pres?
